**AGREEMENT, WAIVER, AND RELEASE (required by CAPRI)**

In consideration for being permitted by the BCVRPD to participate as an instructor, I hereby waive, release, and discharge any and all claims for damages for personal injury, death, or property damage which I may have, or which may hereafter accrue to me, as a result of participation in said activity. This release is intended to discharge in advance the District (its officers, employees, and agents) from any and all liability arising out of or connected in any way with my participation in said activity, even though that liability may arise out of negligence or carelessness on the part of the persons or entities mentioned. It is understood that this activity involves an element of risk and danger of accidents and knowing those risks I hereby assume those risks. It is further agreed that this waiver, release and assumption of risk is to be binding on my heirs and assigns. I agree to indemnify and to hold the above persons or entities free and harmless from any loss, liability, damage cost, or expense which they may incur as the result of my death or any injury or property damage that I may sustain while participating in said activity.

I have carefully read the agreement waiver, and release above and fully understand its contents. I am aware that this is a release of liability and a contract between myself and the district and I sign it of my free will.
