

Monday, February 2, 2026

Hello Pass Area players and families,

Thank you for the energy and excitement you've shown for the upcoming Spring 2026 baseball and softball season with Pass Area Youth Baseball and Softball.

We want to start by letting you know that we are receiving and reviewing all emails and messages sent our way. While we may not be able to reply to everyone individually just yet, please know that your questions are being sorted, read and considered. Some are awaiting an answer, and we are working on a lot of those today. We are also creating an expanded Frequently Asked Questions (FAQ) sheet to be shared soon.

As expected for our first season together as Pass Area Youth Baseball and Softball, we are all quite busy behind the scenes. We're learning a lot and working hard to get everything set up for a great season. We're grateful for the additional time created by moving Opening Day to February 28, 2026.

With just under 1,000 players signed up, here's what we're currently working on:

- Finalizing rosters: Integrating recent sign-ups, including those from the Pancake Breakfast.
- Building teams: Matching players with coaches and doing our best to ensure balanced teams.
- Schedules & rules: Reviewing league rules for all divisions, securing game times, and drafting schedules.
- UNIFORMS: For teams that would like to add names to jerseys or hats through Big Time Design, have ONE TEAM PARENT/COACH etc. collect the information and deliver it to Big Time Design. There will be an additional fee to add names.

Finalized rosters will be sent to managers/coaches, who will then reach out to their teams directly and notify new families when players are added to their team. If you don't hear from your coach by this Friday, please email [PAYBS@bcvparks.com](mailto:PAYBS@bcvparks.com).

COACHES STILL NEEDED: If your child is in the Foal, Pinto or Bronco division, we still have an immediate need for at least three coaches to step up in each of those divisions. Please email us at [PAYBS@bcvparks.com](mailto:PAYBS@bcvparks.com) ASAP if you can help out.

If you have a question or concern that has not been addressed, please know we are working toward a solution and organizing clear information to share with all families. Some adjustments may still occur in the next few weeks, but our goal is to keep you well informed.

Thank you for your support and for being such a vital part of this league. We look forward to a fun spring on the field!

Sincerely,  
the team at BCVRPD and PAYBS
